About Us

AMA International may be a new name in the coal trading and supply business, but it is built by a team of seasoned professionals with decades of combined experience in mining operations and coal trading.

Our people have a deep understanding of the industry, from managing coal concessions and securing reliable supply chains to serving domestic market. This expertise ensures that, even as a new company, AMA International operates with the same level of reliability, quality, and efficiency as long-established players.

We aim to bring a fresh yet experienced approach to the market, delivering high-quality coal products, building trusted partnerships, and maintaining the highest standards of integrity and professionalism.

Vision & Mission

Vision:

To become a leading and trusted coal supplier in the domestic market, playing a vital role in supporting national energy resilience, industrial advancement, and long-term economic sustainability.

Mission:

1. Deliver Uncompromising Quality

Provide high-grade coal that meets and exceeds national industry standards, ensuring reliable supply and consistent performance for domestic partners across various sectors.

2. Build Enduring Partnerships

Cultivate long-lasting, trust-driven relationships with clients, suppliers, and partners through transparency, dependability, and shared success.

3. Champion Sustainability

Adopt and promote environmentally responsible mining and trading practices, contributing to sustainable energy development and a greener future.

4. Pursue Operational Excellence

Continuously enhance our operations, focusing on efficiency, safety, and regulatory compliance throughout our entire coal supply chain.

5. Grow Our Market Presence

Leverage strategic partnerships and innovative approaches to expand our footprint across the national market while strengthening our position as a trusted leader in domestic coal supply.

Product & Service.

AMA International provides a diverse selection of premium coal products that adhere to global industry standards. Our offerings include:

1. High-Grade Thermal Coal

High-calorific coal ideal for power generation and heavy industrial use.

2. Mid-Grade Thermal Coal

A balanced solution offering strong energy efficiency at a competitive price, commonly used by manufacturers and power plants in both domestic and regional markets.

3. Low-Grade Thermal Coal

A cost-effective option with lower calorific value, yet dependable for a variety of energy applications. Frequently chosen by developing nations in need of affordable energy sources.

In addition, we offer prompt and reliable shipping and logistics services to ensure timely deliveries that meet all client specifications.

On the next page, you'll find the GAR (Gross As Received) values from our mining operations.

REPORT OF ANALYSIS

CLIENT : **PT AMA INTER NATIONAL**
Gedung Artha Graha, 26 Floor
(SCBD) Unit 2601, Jalan Jend. Senayan,
Kebayoran Baru Kota Adm. Jakarta
Selatan DKI Jakarta

The following sample was submitted and identified by the client as below.

SUBJECT : COAL
TESTED FOR : Total Moisture, Proximate Analysis, Total Sulfur and Gross Calorific Value
DESCRIPTION OF SAMPLE : Packing: unsealed plastic bag
Code of Sample: **AMA/02/BAS/II**
Weight: 26.60 Kg
DATED OF RECEIVED : June 11, 2025
DATED OF ANALYSED : June 12 up to 14, 2025
RESULT :

PARAMETER	RESULT				METHODS
	As Received Basis	Air Dried Basis	Dried Basis	Dry Ash Free Basis	
Total Moisture	%	25.14	-	-	ASTM D3302M-22a
Proximate Analysis :					
- Moisture in the analysis	%	-	14.68	-	ASTM D3173M-17A
- Ash Content	%	1.16	1.32	1.55	ASTM D3174-18e1
- Volatile Matter	%	37.65	42.91	50.29	ASTM D3175-20
- Fixed Carbon	%	36.05	41.09	48.16	ASTM D3172-21e1
Total Sulphur	%	1.28	1.46	1.71	ASTM D4239-18e1(A)
Gross Calorific Value	Kcal/Kg	5425	6184	7248	ASTM D5865M-19

This Certificate is issued under our General Terms and Conditions, copy of which is available upon request or may be accessed at itra.sucofindo.co.id
This test result (s) relate only to the sample (s) tested and the test report/certificate shall not be reproduced except in full without written approval of Sucofindo (Parsero) Laboratory
